Vote For Your Favorite Commercial Software Programs

Third Annual Linkers' Choice Awards Feb. 28

ROBIN ROSE

Q-Link needs your help in choosing the best commercial software packages of the past year — balloting has begun for the third annual Linkers' Choice Awards, sponsored by the Commodore Software Showcase.

The polls are open and you can vote for your favorite programs in the following categories: adventure, education, sports, graphics, utility, music, arcade, productivity and simulation software. Whether you favor "Indiana Jones and the Last Crusade" or "Where in Time is Carmen San Diego," we want to know what keeps you entertained, informed, and productive at the keyboard. You could win a software package for assisting us with this tough decision!

Just go to the Voting Booth in the Showcase's Linkers' Choice Awards area by Friday, February 23 to stand up and be counted. See what other Q-Link members are saying about the best programs of the last twelve months, and add your two cents worth, on the Linkers' Choice Debate Board.

Then be a part of the excitement when Q-Link announces the results and honors the winning software publishers at a black-tie awards ceremony at 9 p.m. on Wednesday, February 28, in People Connection's Auditorium. Your vote makes a difference, so do your part for your favorites while there's still time!

GEORAM Makes GEOS Faster, More Powerful

GEOS users can now greatly improve speed and flexibility with GEORAM, Berkeley Softworks' RAM expansion board developed exclusively for GEOS-equipped Commodore 64 and 128s.

GEORAM gives you an extra 512K of memory and stores information electronically. As a result, your Commodore doesn't spend time spinning disks in search of data, and your data transfer rate accelerates up to 35 times faster than GEOS operated with a 1541 or 1581 disk drive. Time spent waiting for GEOS to load applications or power up can now be spent writing and drawing!

For more information on GEORAM, check the News and Information area of the GEOS Arena, Berkeley Softworks' online support center for your questions about BSW products. You can order GEORAM online, then turn to the GEOS Arena for hints and tips on making the most of it. If you're a *serious* GEOS user, you'll want to find out more about GEORAM today!

Club Caribe

New Developments Abound At Your Online Island Resort

CINDY STILWILL

If you haven't visited Club Caribe[sm] lately, you're in for a big surprise! Ever since vacationers first discovered the island last July, the staff at Q-Link's interactive vacation resort have been listening to your suggestions and adding new regions and events galore. As a result, your island paradise has more than doubled in size!

In the main resort area alone, new attractions include the Football Stadium, Penguin Race Track, Boat D'Amour, Volleyball Courts, the Guiding Angel Clubhouse and the Club Caribe Guide (CCG) Hideaway. There's also a greatly expanded Library that includes information about upcoming events, island folklore, biographies of island notables, an Art Gallery, and a Kids' Korner for the younger guests.

New Adventures Too!

For the stouthearted thrill seekers among you, recent discoveries on the island will provide hours of adventure. One of Club Caribe's unsuspecting guests recently stumbled upon a trap door while exploring Tahiba's Palace that leads directly to the island Catacombs! Although Tahiba is generally benevolent to island guests, be warned: she doesn't like to find strangers poking their noses into her magical secrets. If she finds you lurking near the Catacomb entrance, there are no guarantees that you won't return from your explorations as a tentacle!

After the great floods, Club Caribe staff also uncovered a Pirates' Lair in the Sea Caves. Rumor has it that a secret passageway in the Lair leads to the Labyrinth guarding the gateway to the Badlands. Your island hosts strongly advise that you avoid the Labyrinth *and* the Badlands. Guests sometimes disappear and never return, and those who have found their way back tell ghastly stories of a maze over 120 rooms large. Although great riches can be found there, vacationers can also be lost forever wandering through the maze. Only the Caribe Adventure Guild dares to explore the Badlands, and even they find safety in numbers.

If you haven't visited Club Caribe yet, find out what all the excitement's about! Download Club Caribe tonight in Just For Fun's Gaming Connection.

For complete details on all there is to see and do in Club Caribe, consult the Club Caribe Travel Guide in Just For Fun's Gaming Connection. Then head for Club Caribe for a taste of paradise and adventure!

GEOS HAS GO
BUT THIS OFFE

When is an upgrade not an upgrade? When you're upgrading to GEOS 2.0.™

Oh, sure, you've heard a lot of that upgrade stuff before. But GEOS 2.0 isn't just a couple of itsy bitsy enhancements here and there. It's more like 60 whole new options, utilities and applications (some of which were once sold separately) all rolled into one package.

The fact is, GEOS 2.0 is different. Really different. Even in the way it affects your wallet.

For a very limited time, we'll upgrade your GEOS 64 or 128—normally $59.95—for only $29.95 ($34.95 for GEOS 128). Which means that for a very few dollars, you can get a whole lot more out of the system that revolutionized the Commodore® world.

Sound good? Well, this ought to make it sound like music to your eyes:

Order your 2.0 upgrade with this coupon and we'll send you FontPack 1™—20 terrific typefaces of all shapes and sizes—for free. Zip. Nada.

Now is that an upgrade offer, or what?

29.95 Special upgrade offer.

Something to write home about.

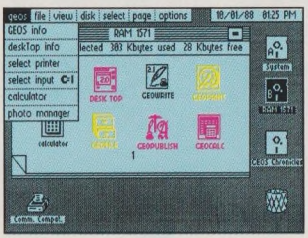
With new geoWrite™ 2.1 you can incorporate multiple column overlays, headlines and borders and instantly convert any Commodore based text (like PaperClip,™ Easy Script,™ Speed Script™ and Word Writer™) into a geoWrite format.

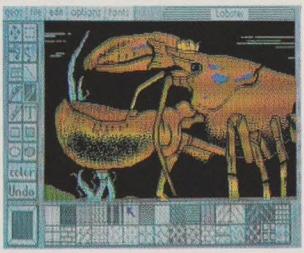
You also get 10 fonts (7 styles in multiple sizes). Date and time stamping. Expandable margins (to 8 inches). Right, left, center and full justification. Single, 1.5 and double spacing. Page numbering. Headers. Footers. Search and replace.

And that's only a *partial* list.

A new geoSpell™ automatically corrects any blunders it finds 38% faster than before. A new geoMerge™ combines with geoWrite to create customized letters and lists. And geoLaser™ prints near-typeset quality output on Apple® LaserWriters.™

Whew.





More graphic displays of power.

A new geoPaint™ still gives you 14 graphic tools, 32 brush shapes and 32 painting patterns. But now it can also enlarge or reduce images to scale. And new paint brushes let you create semi-transparent

overlay effects.

There's a new grid for easier sketching of large images. New graphic shapes, including connected lines, ellipses and squares. And for more perfect control, you can now stop pattern fills in progress.

The new 2.0 deskTop™ allows multiple file selection for most operations. And erases entire disks without reformatting. It manages more files, three disks and drives (even the 1581) in less time. Copies files faster with fewer disk swaps. And even color codes file icons for easier identification.

There are more keyboard shortcuts. More enhanced desk accessories. It can even retrieve your most recently deleted file from the waste basket!

Take Aim At Special Valentine's Events

"SADIE"

Are you feeling lovelorn this year? People Connection's very own "Q-Pid" will be "darting" about in People Connection all this month when he takes aim at fun February activities in honor of Valentine's Day.

Q-Link couples will want to step forward and be counted when we round up online-love-come-true stories for Q-Link's "QCouples Contest." First, post the true tale of how you met your special someone — online or off — on the QCouple Contest board in Romance Connection, located in Just For Fun's QSociety.

Find out why Ward and June worried about the Beaver! You grew up watching him play Wally Cleaver on TV's* Leave It To Beaver. *Now meet actor Tony Dow online at 9 p.m. on Thursday, February 8 in the People Connection Auditorium.

The folks who submit the best stories will be invited to appear onstage at a special event at 10 p.m. on Friday, February 23 in the People Connection Auditorium. They'll share their experiences with the audience, who will select the most heartening story and reward the lucky winners with free long-distance roses from The Mall and five free Plus hours each. Audience members can win free software and Q-pons just for attending!

Don't forget to treat your online QSweetie to a whimsical Valentine's card from Q-Pid's Card Shoppe, located in QSociety's Romance Connection and The Mall. From sentimental to humorous, you'll find just the right card to convey your feelings.

And on the big day itself, let "Super Q" serenade you and your someone special with SIDS — request your special song and dedicate it with a personalized message in the SONG DEDICATIONS room at 9 p.m. on Wednesday, February 14th in People Connection. Show your "significant other" *just* how devoted you are!

Still on the lookout for Mr. or Ms. Right? Then be sure to visit the LONELY HEARTS CLUB room the same night at 10 p.m. We'll be spinning tunes from the Beatles and other artists for your listening pleasure. Forget your blues in the company of other 'Linkers and merry MIDI melodies!

Celebrate the spirit of romance all month long — the love bug just might "byte" you! **(People Connection/ Auditorium and Special Rooms) (Just For Fun/ QSociety/ Romance Connection)**

CINDY STILWILL

The old saying goes, "Lucky in cards, unlucky in love." That crafty Casino owner RabbitJack proves the old saying **wrong** when he gives you three ways to win Q-Chips in special Valentine's activities for February.

What better way to start Sweethearts' Month right than with a rollicking game of **Hearts Alive!?** That's the name of the game at QRJ Kasey's BlackJack table at 11 p.m. on Saturdays. Your goal is to get as many hearts in your hand as possible without busting. If you don't bust, and have a heart, you're automatically 200 Q-Chips richer. And for each additional heart you obtain without busting, you get another 200 Q-Chips. If the dealer gets BlackJack, the players get zip and the hand is replayed. For complete rules for this and other Casino games, check the Casino Club in Just For Fun's Gaming Connection.

For You and Your Gal (or Guy)

It pays to be part of a pair when you and your better half win this month in the Casino. The Casino staff will match your Q-Chip winnings and send them to your designated Casino sweetheart. If you win first-place at a tournament or other scheduled event, you'll be in the running for an even bigger prize.

At the end of the month, RabbitJack will total the Q-Chips you've earned by being a first-place event winner and award a personal stereo cassette player to you and your honey.

And be on the lookout — QRJ Cupid will be on the prowl in the Casino. If you're struck by one of Cupid's arrows, you can win a prize and maybe find romance right there among the slot machines. Then have your own QWedding right there in the Casino Lounge. RabbitJack will be performing weddings all month, then assuring newly-wedded couples a great honeymoon with 10,000 Q-Chips to blow at the gaming tables. To make wedding arrangements, send E-Mail to RabbitJack at least a week before the big day.

With all this excitement and regularly scheduled Casino action every day, there's no reason why *everyone* shouldn't be joining in the fun at RabbitJack's!

CORRECTION:

The Telenet Local Access Directory that appeared in the November issue of the *Q-Link Update* stated that members in some areas could access Q-Link through systems such as the Ameritech Packet Switched Network and the Bell Atlantic Public Data Network. This information was incorrect, and we regret any confusion the error may have caused.
